✧ TO THE TRADE. ✧

I am presenting an Illustrated Catalogue of my Mezzotype Panels and Engravings, I do not undertake to show the quality of these new and salable goods, but rather the subjects I now have ready. New subjects will be constantly added. These publications are pronounced the finest reproductions in the market. The Panels are extra thick Gilt Bevel,  $6\frac{1}{2} \times 9\frac{1}{2}$  inches, and the Engravings are printed on fine Bristol board, 11x14 inches in size. Every subject is furnished both in the Panel and Bristol board. For convenience in making up orders, the subjects have been numbered. I present this catalogue, hoping that it will materially aid dealers in making up their orders and thereby prove indispensable to the trade.
